**SUPPLEMENTARY INFORMATION:** This ICR seeks PRA authority for the State Apprenticeship Expansion (SAE) Grant Research Study information collection. The U.S. Department of Labor's (DOL's), Employment and Training Administration (ETA) has commissioned an implementation evaluation of its efforts to expand registered apprenticeships. Through State Apprenticeship Expansion grants and National Industry Intermediary and Equity Partner contracts, DOL is seeking to expand apprenticeship programs to new industries and occupations, increase the number of apprentices, and encourage the inclusion of apprentices from diverse backgrounds. The National Apprenticeship Act of 1937 authorizes this information collection. *See* 29 U.S.C. 50.

This proposed information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB, under the PRA, approves it and displays a currently valid OMB Control Number. In addition,

notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a valid Control Number. *See* 5 CFR 1320.5(a) and 1320.6. For additional information, see the related notice published in the *Federal Register* on August 8, 2018 (83 FR 39130).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within thirty-(30) days of publication of this notice in the *Federal Register*. In order to help ensure appropriate consideration, comments should mention OMB ICR Reference Number 201905-1205-008. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility:
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
